August 21, 2007

Dear Family and Friends of Foothill Technology High School,

As in past years, we are asking for a voluntary tax-deductible donation for our Technology Fund. Your generosity at any level is greatly appreciated.

The Technology Fund was created to maintain, upgrade and purchase needed technology items. This fund enables FTHS students to have access to the most current equipment, so they are prepared to be successful in this information age.

Over the past two years, FTHS has spent over \$50,000 on technology, teacher grants, hardware, software and technical support supplies. People like you provided this money through generous donations to the FTHS Technology Fund.

As you know, technology purchases can be expensive. Unlike most high schools, we do not have a sports program to generate revenues. One hundred percent of your donation goes into the Technology Fund and stays at FTHS for your students. Administrators, teachers and parents on our expenditure committee allocate funds wisely and conscientiously.

FTHS is truly shaping the future generation of our community. The school is now **scoring an exceptional 916 points on the Academic Performance Index, scoring among the top 10 high schools in the state of California on the API, rated as a National Blue Ribbon School and honored as a California Distinguished School.**

Thank you in advance for your support. We are looking forward to a great 2007-2008 school year.

Sincerely,

Mary Vanoni

Vice President-Ways and Means, Foothill Technology High School - Parent Faculty Student

Organization

Yes, I would like to help Foothill Technology High School!

Enclosed is my check, made payable to Foothill Technology - PFSO

\$200 _____ \$150 _____ \$100 _____ \$50 _____ Other _____

Name _____
